Needle Painting Embroidery Trish Burr

Renowned embroiderer Trish Burr passes her creative secrets on to stitchers--especially beginners--who want to take their needle painting skills to the next level. In 15 projects organized in three levels, from novice to intermediate, Trish provides expert, easy-to-follow guidance on techniques for surface stitching that provide subtle shadings and a soft, paintlike blending of colors. Sections on materials, the long and short stitch, and helpful practice motifs lead to gorgeous projects like Burgundy Rosebuds, a Wild Pansy, and a Racquet-tailed Roller.
